National Professional Qualifications delivered Online by Exemplary School Leaders

Funded National Professional Qualifications

The DfE have recently confirmed that scholarship funding remains available for all NPQ participants who are working in a category 5 or 6 area, and those working in MATs or dioceses which cover those areas. The Alliance of Leading Learning delivers NPQML and NPQSL in Southport, Huyton, Bolton, Tameside, Oldham, Eccles and Altrincham. Our flagship NPQH and NPQEL is delivered to a national audience at Rookery Hall Hotel in Nantwich. We are also currently investing in our online delivery to bring these programmes to those that will not be able to access face-to-face sessions.

Participants wishing to secure a scholarship should register by **midday 3rd August 2020** to take up this opportunity and we can provide a remote launches in the Autumn term (see our website for more information).

Funded Governance Programme – Two Funded Places per Board

The Alliance of Leading Learning hold licences from the DfE for the delivery of both NPQs and the Governor Development Programme. **Two** fully funded places, worth £500 each, are available to every school governing board. To find out more please go to our website. We are currently taking registrations for local delivery in the North West and we are also seeking new opportunities to expand our delivery of the Governor Programme into new areas. We would welcome working with any Governing / Trustee Board to deliver a bespoke programme where they can draw on a minimum of 10 governors from 10 governing boards to provide unified quality face-to-face training. Additionally, we pleased to announce that our outstanding Governor Leadership Development Programme is now available purely on-line. Our delivery will bring participants personalised communications, access to our Virtual Learning Experience and live webinars where you will get the chance to ask our exemplary facilitator team for advice and guidance.
